Have you received funding for this project from other sources? (Y/N)

Have you applied for funding for this project from other sources? (Y/N)

Please attach a full detailed budget of your project including specifics as to where this grant will be spent.

If you are receiving additional funding from other sources please include these details also.

The Wallace Foundation was established by The James Wallace Arts Trust and Sir James Wallace to foster, maintain, promote and advance the education of New Zealand artists and New Zealand people generally in the creative arts including cross-disciplinary arts, performing arts, music, theatre, and film.

The Wallace Foundation grants funds for a range of projects throughout the year.

Regrettably very few of the many applications received, regardless of merit, can be funded due to the limited finances available.

Completed Application Forms should be sent to enquiries@wallaceartstrust.org.nz or:
